## Determination of Patent Term Adjustment under 35 U.S.C. 154 (b) (application filed on or after May 29, 2000)

The Patent Term Adjustment to date is 666 day(s). If the issue fee is paid on the date that is three months after the mailing date of this notice and the patent issues on the Tuesday before the date that is 28 weeks (six and a half months) after the mailing date of this notice, the Patent Term Adjustment will be 666 day(s).

If a Continued Prosecution Application (CPA) was filed in the above-identified application, the filing date that determines Patent Term Adjustment is the filing date of the most recent CPA.

Applicant will be able to obtain more detailed information by accessing the Patent Application Information Retrieval (PAIR) WEB site (<http://pair.uspto.gov>).

Any questions regarding the Patent Term Extension or Adjustment determination should be directed to the Office of Patent Legal Administration at (703) 305-1383. ## Notice of Fee Increase on October 1, 2004

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after October 1, 2004, then the amount due will be higher than that set forth in the "Notice of Allowance and Fee(s) Due" because some fees will increase effective October 1, 2004. See Revision of Patent Fees for Fiscal Year 2005; Final Rule, 69 Fed. Reg. 52604, 52606 (May 10, 2004).

The current fee schedule is accessible from WEB site (<http://www.uspto.gov/main/howtofees.htm>).

If the fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due" but not the correct amount in view of the fee increase, a "Notice of Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice of Pay Balance of Issue Fee," if the response to the Notice of Allowance is to be filed on or after October 1, 2004 (or mailed with a certificate of mailing on or after October 1, 2004), the issue fee paid should be the fee that is required at the time the fee is paid. See Manual of Patent Examining Procedure (MPEP), Section 1306 (Eighth Edition, Rev. 2, May 2004). If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously-paid issue fee should be paid. See MPEP Section 1308.01.

Effective October 1, 2004, 37 CFR 1.18 is amended by revising paragraphs (a) through (c) to read as set forth below.

### Section 1.18 Patent post allowance (including issue) fees.

- (a) Issue fee for issuing each original or reissue patent, except a design or plant patent:
- By a small entity (Sec. 1.27(a))..... \$685.00
  - By other than a small entity..... \$1,370.00
- (b) Issue fee for issuing a design patent:
- By a small entity (Sec. 1.27(a))..... \$245.00
  - By other than a small entity..... \$490.00
- (c) Issue fee for issuing a plant patent:
- By a small entity (Sec. 1.27(a))..... \$330.00
  - By other than a small entity..... \$660.00

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

### DETAILED ACTION

This is a first office action in response to application no. 09/960,166 filed on 9/21/2001 in which claims 1-6 are presented for examination.

5

#### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

10

Authorization for this examiner's amendment was given in a telephone interview with Chris Vo on 9/15/2004.

15

The application has been amended as follows: the word "original" has been inserted in claim 1, line 12. The amended line reads as follows: "stores that sample in the temporary register and provides the original value of the temporary".

The word "original" has been inserted in claim 4, line 14. The amended line reads as follows: "original value of the temporary register to the next comparator".

20

The word "first" has been stricken from claim 4, line 13. The amended line reads as follows: "then storing that sample value in the ~~first~~ temporary register and providing the"

***Reasons for Allowance***

Claims 1-6 are allowed. The following is an examiner's statement of reasons for allowance.

Regarding claim 1, the prior art of record does not disclose or fairly  
5 suggest providing a value to a discard area if there is no next comparator. The closest prior art (U.S. Pat. No. 5,878,358) teaches that the ranking circuit completes a comparison with the sampled value once at the start of the ranking operation by comparing it to the last ranked value and immediately discarding the sample value if it such that it cannot be ranked. The Applicant's method, in  
10 contrast, performs a series of comparisons between the sampled value and all of the ranked values before finally discarding the sampled value if it is such that it cannot be ranked.

Regarding claims 2-3, the claims are allowable because they depend from an allowable claim.

15 Regarding claim 4, the prior art of record does not disclose or fairly suggest discarding the values that output the  $k$ th register. The closest prior art (U.S. Pat. No. 5,878,358) teaches that the ranking circuit completes a comparison with the sampled value once at the start of the ranking operation by comparing it to the last ranked value and immediately discarding the sample  
20 value if it such that it cannot be ranked. The Applicant's method, in contrast, performs a series of comparisons between the sampled value and all of the ranked values before finally discarding the sampled value if it is such that it cannot be ranked.

Art Unit: 2615

Regarding claims 5-6, the claims are allowable because they depend from an allowable claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled  
5 "Comments on Statement of Reasons for Allowance."
